# Lab18: Tic-Tac-Toe, Michie Learning

- Attach a code printout.

- 

- How does your system learn to respond to an opening move in the corner?

- 

- 

- 

- How does your system learn to respond to an opening move in the middle?

- 

- 

- 

- How does your system learn to respond to an opening move on the side?

- 

- 

- 

- If the first player's first two moves threaten a win, then with what probability will your system's second player's move block?

-
